Dear 

Enclosed to our conversation I am sending you materials describing GAO's recently initiated inquiry into Low Intensity Warfare. As you will note in the enclosed materials, we have been asked, among other things, to research the threats and contingencies that U.S. Armed Forces face as regards Low Intensity Warfare. We are particularly interested in receiving relevant information on this question from the Central Intelligence Agency, at the secret level.

Accordingly, we would appreciate receiving at your earliest convenience an appropriate briefing and opportunity to interview those representatives of the CIA knowledgeable on this subject matter.

Copies of proof of clearance of myself and the staff member to this project are enclosed. Please call me at 275-1552 to set up the requested briefing.

Thank you for your assistance and cooperation.

Sincerely,

A handwritten signature in cursive script, reading "Winslow T. Wheeler".
